Dennis, Chris offered to cover it for me. If that changes, I'll let you know.

Did you get my message about MDE asking about the Freedom Industries site? I'd like to get back to them if you haven't had a chance to.

Thanks

Greg

I'd like to attend a meeting on the evening of Wednesday, 2/12 (not work related). Can anyone cover phones for me from 5:30pm to 9:30 pm? I would really appreciate it.

Thanks,

Greg
